

Doctor's Progress Report

C-4.2

Use this form to report *continuing* services. (To report the first time you treated the patient, use Form C-4. To report permanent impairment, use Form C-4.3.)

Please answer all questions completely, attaching extra pages if necessary, and submit promptly to the Board, the insurance carrier and to the patient's attorney or licensed representative, if he/she has one; if not, send a copy to the patient. Failure to do so may delay the payment of necessary treatment, prevent the timely payment of wage loss benefits to the injured worker, create the necessity for testimony, and jeopardize your Board authorization. You may also fill out this form online at www. wcb.ny.gov.
